

**If You Don't Want to Be
Like Everyone Else, **We**
Understand.**

“Anyone who carefully evaluates the Tremaine Real Living Real Estate brand will come to only one conclusion: Tremaine Real Living, its brand, reputation, programs, systems, and service, combine to make it a company ideal for forward thinking new real estate agents.”

— John Tremaine —
Broker/Agent/Real Estate Expert

Tremaine Real Living Real Estate Offers

1. Real Living Business Center

Automatically schedule real estate content for your social media presence, including Facebook, Instagram and YouTube, or create and schedule your own material.

2. In House Graphic Designer and Photographer

Skilled in Photoshop, Illustrator and Premiere Pro - our graphic designer will help create your branding and personalized marketing materials. Along with taking stunning pics of your listings.

3. Adwerx

We enables our agents with the best digital marketing. Promote your listings on major websites like Facebook, Instagram, Hulu, EPSN+, and YouTube...FOR FREE.

4. Drone Operator & Video Editing

Here at Tremaine Real Estate we know photos are one of the most important tools you will use, and drone photos/video is becoming a must in the business of real estate.

- Market Advantage allows you to create marketing materials (website, flyers, etc.) to help sell your listings.
- Never forget a client with a Contacts Database.
- Real Living Learning Center ensures you keep up to date on all the market trends.
- Access your Adwerx Marketing.
- Lifestyle Video Manager allows you to create videos of your listings right from your phone.
