# HEAR FROM THE TEAM

## **Ursula Pougnet, Realtor**

"Being able to share ideas with each other, and always learning new things

If I am going to be out of town, there is always someone on the team that can help with my clients."

## **Dana Shumaker, Realtor**

"I love being on the Tina Peterson Team because of the family dynamic everyone has here and that the team leaders genuinely want to help you succeed. I know if I had tried doing real estate on any other team I wouldn't have been as successful!"

## **Cathy Barrera & Rick Buckingham, Realtors**

"In 2010 when I first got my license and was working at KW it was so hard with no training, no support.. even though there had been promises from management to do so. I came cross Tina when I had a FSBO and Tina brought the Buyers. I took a break but when I decided to come back to Real Estate it was a no brainer when I decided to join the team. I have never once second guessed that decision.. she lived up to every expectation. What I like most is how everyone on the team does everything TOP NOTCH and is super ethical.

## **Katie Schrock, Realtor**

When I first met Tina Peterson, I knew it was the team for me. It was clear to me that Tina and her team shared the same values and commitment that I had. With a focus on building a strong and supportive team with one goal in mind: excellent customer support and service. Since joining the team I have never looked back. I work with such an amazing group of people, each with our own strengths. Working together we form an unstoppable team ready to help our clients find their dream homes for each phase of their lives.

## **Lynsey Shaw, Realtor**

"What drew me to the Tina Peterson Team was their success in adapting to new markets. I love that the team is really engaged in using new techniques to generate leads like social media and community outreach. I love the teams moto of help people first, do the work and the pay will follow; we are a family that loves helping other families. I could picture growing with the team, as an agent and an individual."

## **Nick Dunwoodie, Realtor**
